

How to Register your Child for Jump Rope for Heart

Online fundraising allows you to easily raise funds and share life-saving information with your friends and family. Here's how to get started:

1. Go to www.jumpropeforheart.ca and click **“Register”**.

2. When prompted, click the **“Join Your School”** button.

3. Search for your school. Once found, click **“Register”**.

Tip: If you cannot find your school, remove an accent or punctuation. For example: change “École” to “Ecole” or “St.” to “St”.

Get started - become a Heart Hero!

Welcome – or welcome back! Join the school event nobody wants to skip.

Start by searching for **your school name** in the search bar below, or search for the **National Jump Team** if your school is not participating.

Page Details

My page is bilingual

Personal Fundraising Page Name - This name helps to personalize your fundraising efforts, making it easier for friends, family, and potential donors to support your cause. For example: Sally the Super Skipper *

Fundraiser page goal *

Name Your Personal Page Link

Set your own web address for your personal fundraising page. Call this whatever you like. We recommend typing in your first and last name (without a space). Only use letters, numbers and dashes.

4. Now you can personalize your page! Toggle off **“Use Default”** to customize your description and/or image. To add a personal story or why you jump, fill out the description. You can add an image by clicking **“Add Image”** and uploading it from your device. To add a video, copy and paste the link in **“Video link”**.

Share your Students Fundraising Page

To access your sharing functions, while logged in, click on **“Participant Center”**:

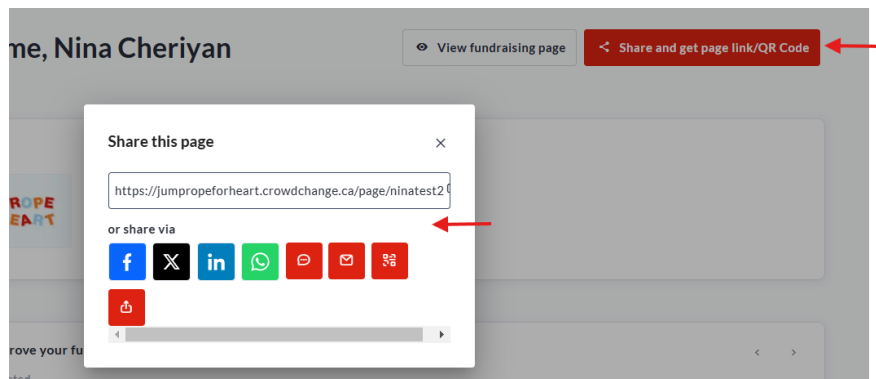

Browse Jump Rope for Heart School Pages

Click on your preferred students page tile. Note: Your participant center will show all page tiles you have created for 1 or more students as well as archive pages.

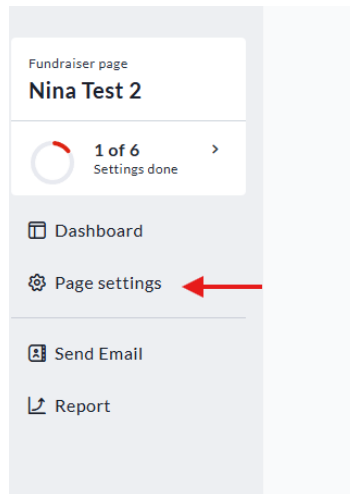

You can now share by copying and pasting your page link, sharing on social media, SMS Text Messaging, Email, download a QR code and more. For step-by-step instructions click [here](#).

Edit your Page

You can edit your goal, page description, and image by clicking on your page tile, then clicking **“Page Settings”**. To add a personal description, slide the toggle off and add your own text. To add your own image, slide toggle off and upload your preferred image. Don't forget to click **“Save”** at the bottom of your page once your changes have been made.
